“JUST IN CASE”

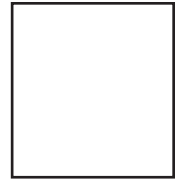

Have you returned your “Opt-In” notice? If not, you can sign and mail it or call us at <(xxx) xxx-xxxx> and say you want to “Opt-In.” This is the only way you can continue receiving Overdraft Protection for ATM withdrawals and debit card purchases after August 15. You may never need it. But its good to know it’s there if you do.

If you do have an emergency and need to use Overdraft Protection, you will be charged our regular overdraft fee of \$<xx.xx>. You may not exceed \$<xx.xx> overdrafts including fees at any one time. You must be a customer in good standing and bring your account into balance every month. And if you don’t use it, you pay nothing.

Overdraft Protection is not a contractual obligation to pay. If you opt-in, and we do not pay your ATM or debit card overdrafts, there is no charge to you. For more information, please feel free to contact us!
